Series: Gifts That Keep on Giving

Scripture: Matthew 4:12-23

Sermon: "The Gift of Bold Action"

Our Epiphany series is about recognizing the often-surprising gifts that are extended to humanity and are ours to receive if we are bold and loving enough to accept them. This Sunday we will contemplate the gospel of Matthew's call story of Andrew and Peter. Jesus called them to bold action—to fish for people and they made the bold choice to follow. There will come a time in everyone's life when bold choices need to be made. From deeply personal actions like publicly calling out sexism, racism, or ableism in our daily conversations, to more global actions like how we engage in our political system, there will be a time when we need to answer the words, "Follow me."

What ordinary people have you seen make bold choices despite the risk they faced? How might we discern what it means to follow Christ as a community?

## Presbytery News

Recently, the Presbyteries of North Central Iowa, Prospect Hill and Des Moines have voted to begin a time of prayer and discussion to discern whether God may be leading us toward a new structure: a single, joined presbytery serving Iowa together.

To that end, we have created a video to explain our next steps and how we will discern this journey together. Please click one of the links below to view in either widescreen or vertical format.
