Series: God's Creative Connection

In our text for this coming Sunday, we start to get to know the second generation of Abraham and Sarah's family. We will hear the story of Rebekah's encounter with Abraham's servant—the one who was sent to find a wife for Isaac among his kinsfolk. We will hear echoes of Abraham's own call, journey, and faithfulness. Rebekah actually follows in Abraham's footsteps, leaving home and family and country to fulfill God's purpose.

What does this story say about God? What does it say about human faithfulness?
